- Data collection for educators to monitor progress

The Suitability of the Maze Runner Series for AR Quizzes

The Maze Runner series, comprising four main novels (The Maze Runner, The Scorch Trials, The Death Cure, and The Kill Order), appeals to middle and high school students. Due to its popularity and engaging narrative, the series has been incorporated into AR programs at various educational levels.

However, not all AR quizzes are created equal. Each book's quiz is designed to assess comprehension of key plot points, character development, themes, and vocabulary. The depth and scope of questions can vary, affecting how well the quiz measures a student's understanding.
